LETTER TO THE EDITOR.

Comrade Shaffer in His 92d Year.

Mr. Editor: I notice in your Various Matters column Friday that it is stated "the oldest veteran in the Connecticut department of the G. A. R. is George W. Shaffer of Cheshire, 92 years of age." The next oldest is George W. Hotman in his 91st year.

The latter statement is incorrect, as Francis S. Long, now 89, has outlived Comrade Leonard Shaffer in his 92d year, being 91 February 6, 1909. Comrade Shaffer first enlisted May 7, 1861, in Second Connecticut Volunteers, for three months and was discharged August 7, 1861. He re-enlisted October 14, 1861, in Connecticut Volunteers, for three months and was discharged December 31, 1861, by reason of re-enlistment as a veteran volunteer. He was then in the 1st Connecticut, for three years, and was discharged August 13, 1864, in Company D, Twelfth Connecticut Volunteers, for three years, and was finally discharged August 13, 1864, after more than four years of arduous service. He never was sick or wounded and never missed a roll call during his entire service.

He had in direct line of descent, Emory, Daniel and Frank, the latter the present commander of the post. Comrade Shaffer is living with his granddaughter, Mrs. George Osborne, in Bridgeport, and the latter is the only one of his line and his wife ultimately of being the oldest comrade in the department.

Very truly yours, FRANK S. LONG, Quartermaster Francis S. Long Post, G. A. R., Willimantic, Conn., May 14, 1909.

SUPERIOR COURT.

Divorce Cases Heard—Jury Disagrees in Lynch Case—John Devlin Held in \$3,000 Bonds.

Court came in at 9 o'clock Friday morning for a short calendar session of superior court and the assignment of cases with Judge Joel H. Reed on the bench.

Case Continued. The non-contested divorce case of George W. Allen vs. Clara M. Allen was first heard, Attorney S. B. Harvey appearing for Mr. Allen. Deed was the ground on which suit was brought. Mr. Allen testified that they were married in 1882 and had lived together six or seven years, and in 1888 she got infatuated with a man by the name of Bennett who worked for Allen at the time and they had lived together since. Allen, who Plaintiff said that he had seen Mr. Allen every day in the year and that he had not lived with his wife during the five years that he had been a resident of that town. Elmer Calvin of Moosup testified to seeing Allen every day for five years and he positively knew that his wife did not live with him. The case was continued until next Friday to hear Deputy Sheriff Holbrook's testimony.

Verdict Granted. The uncontested divorce case of Charles M. Miller vs. Lillian Miller was then called. Desertion was the ground stated in the request for divorce. was a second cousin of his and that she had left her husband about twelve years ago and that once he was asked by Miller to intervene and try and persuade her to return and, being Mrs. Miller, tried to influence her, but was unsuccessful. Witness said that she was living in Union with a Mr. Horton. James M. Miller of Ashford, a brother of the plaintiff, also testified that Mrs. Miller had left her husband about twelve years ago. Said that he never knew of Mr. Miller's abusing his wife and that they had not lived together since. Court granted a decree on the ground of desertion.

\$3 a Week Alimony Ordered. There was no argument in the case of Nancy M. Caffrey against Patrick Caffrey, for alimony. The case was on the short calendar list. Court ordered \$3 a week paid, commencing June 1. That was the sum sought.

Disposal of Cases. All other matters on the list were agreed to by counsel in each case, answers to be filed within specified times. Edwin Bowen vs. the Connecticut court, for alimony, was continued after jury Tuesday, was dropped off the trial list. Those of Timothy T. Shea, administrator, vs. Michael T. Shea and Michael T. Shea vs. James H. Shea, vs. Michael T. Shea, administrator, were assigned for trial before the court Wednesday, May 19. The case of Stowell H. Burnham vs. the New York, New Haven and Hartford Railroad company was assigned for trial to the jury on Thursday, May 20. All remaining cases were allowed to stand on the list for assignment at a later date.

Lynch Case Resumed. The case of state vs. John G. Lynch, charged with the murder of a bull, was resumed Friday morning at 10:15. Capt. E. H. Richmond, the first witness, testified to arresting Lynch on a warrant on July 10th and that he was the first to recollect Mr. Lynch was at the time in a hayfield.

Deputy Judge James A. Shea was the first witness and he said that he had gone to Windham with the captain when the arrest was made to take a bond. Stated that Mr. Lynch was working in the hayfield at the time which was a little after 5 at night. This concluded the evidence for the defense. Acting State's Attorney Beebe desired to call Miss Mary Lynch for further cross examination, but it was found that she was not in attendance. The court should not be delayed for two hours to get the witness. Mrs. Lynch was then called and said that her husband was not in Three Rivers in 1908, but there in 1907.

Called by the State. George Rood was called by the state and questioned by Attorney Harvey. George claimed that there were two bulls with the herd at the time of the cruelty to the bull. He said that the young bull was not ugly and had never been so. On cross examination, witness said that he did not testify when he stood previously that there was more than one bull in the herd.

Charles H. Dault testified that as he went past the Rood place last July there were two bulls in the pasture, both of which he killed. The witness was more white than the other. Horace Rood on being recalled said that Lynch was alone at the time and that there were two bulls in the pasture, both of which he killed. He also corroborated his brother's statement relative to their being no apple trees in the view of the affair as it took place.

John A. Webster of Windham said that the Roods had two bulls, but that he had only seen one.

Mrs. Marie Milligan testified that she worked for the Roods and had seen the alleged affair. She stoutly denied that Mrs. Lynch and her daughters were present when the affair occurred. On cross examination said that she had kept house for the Roods for two years. Was married, but that she had left her husband and she did not know where he was. Witness was of the opinion that this had nothing to do with the matter under consideration. She was given to understand that she must answer the questions put to her. Claimed that the Rood brothers and herself constituted the family.

On redirect examination Mrs. Milligan stated that her husband had been arrested and sent to Waterbury for a term of two years. Mrs. Lynch was recalled and said that she wished to change her previous testimony to the effect that her daughter was in Three Rivers in April, 1908, instead of 1907, but that she had returned home in January of 1908 and came at the time of the alleged cruelty to the bull.

This concluded the evidence and arguments were begun at 11:40. Attorney Harvey opening for the state. Attorney Kelley made a strong argument for the defense and occupied an hour. Attorney Bugbee closed for the state with a few short remarks.

A recess was taken. When court resumed the judge charged the jury and they retired at 2:30 o'clock.

John Devlin Held in \$3,000 Bonds. John Devlin, charged with horse stealing, was put to plea and entered one of not guilty. The case was continued to the next term of the superior court and being unable to furnish the \$3,000 bonds, was taken to the county jail.

Disagreement in Lynch Case. The jury returned at 4:08 o'clock and through the foreman reported a disagreement. The judge sent them out again at 4:10, saying that he was of the opinion that they ought to come to an agreement, as they were as well qualified to do so as any jury that could be picked in Windham county.

Jury Discharged. The jury came in again at 5:15 o'clock and reported a disagreement still and were discharged by the court and court was adjourned until Tuesday morning at 10:15 o'clock. It is said that eight of the twelve jurors are for conviction and four for acquittal on the Lynch case.

"Uncle Charley" Perry

92 Years Young

Mr. Samuel Charles Perry, of Lockport, N. Y., who is 92 years old and a bachelor, retains all his faculties to a remarkable degree. He is as active and vigorous as he was twenty years ago. Recently, when celebrating his 92d birthday, he entertained his friends by playing on the violin, which he has owned for over sixty years, many old-time pieces.

For many years Mr. Perry has been prominent in business and politics.

In his old age he finds Duffy's Pure Malt Whiskey indispensable, and the only medicine to which his vigor is due; he says that it has no equal.

Mr. Perry writes: "The vitality and usefulness of my powers, which I have preserved through a long life up to the age of ninety-two, I attribute partly to moderation in all things, partly to an indisposition to worry and partly to my natural abhorrence of all kinds of drugs."

In my extreme old age I am exercising the same discretion, with but the one exception that I find Duffy's Pure Malt Whiskey an indispensable medicine. As a tonic and general preserver of health in old age I believe that it has no equal."

Every testimonial is guaranteed genuine and is published in good faith with full consent.

Mr. Perry's case is similar to that of thousands of others, both aged men and women, who have been kept hale, hearty and vigorous by the constant use of Duffy's Pure Malt Whiskey as a medicine. It is a predigested food which has a stimulating and tonic effect upon the system. It builds nerve tissues, prevents decay and keeps the entire system in a normal, healthy condition.

If you wish to keep young, strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey, regularly, according to direction. It tones and strengthens the heart action and purifies the entire system. It is recognized as a family medicine everywhere.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold in sealed bottles only; never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N.
